ABOUT

The International Telecommunication Union (ITU), the United Nations specialized agency for information and communication technology (ICT), provides key reporting and statistics on topics such as broadband, climate change, cybersecurity, eHealth, networks, and space research. Around 40 new titles are published per year, and all ITU research is available online at the ITU iLibrary.

ITU iLibrary has been developed in partnership with OECD Publishing as part of the iLibrary Partnership.

HOMEPAGE

1. Browse drop-down menus from the blue navigation bar:

   - Theme
   - Country
   - Combination of Theme & Country
   - Catalogue -- type of content (i.e. books, papers, or statistics)
   - Statistics (See more on pages 10 & 11)

2. Search* by keyword, ISBN/ISSN/DOI, table of contents, title and country using the search bar at the top of the page.

*Please note: This does not search full-text content (e.g. inside PDF).

ADVANCED SEARCH

3. Enter one or more search terms into the option fields and use AND/OR/NOT to link the fields appropriately.

4. If desired, narrow the search further using criteria such as:

   - Date
   - Language(s)
   - Content type(s)
   - Theme/Country
   - Sort Order (e.g. Newest First, Oldest First and Relevance)

SEARCH RESULTS

Sort search results:

1. To change the order of the search results click the relevant column heading to sort by relevance, newest or oldest first

2. Click on the caret to display short descriptions of the search results, or on ‘Less’ to hide it

3. Search across ‘IGO Collection’ or narrow the current search results by using the facets below such as ‘Theme’ or ‘Publication Year’

4. Click the blue title to access the related content page, or select the caret to view the formats available.

MY FAVORITES

5. To add content to ‘My Favorites’, click on the green star icon.

You can print, email or download your favorite items by clicking the ‘My Favorites’ tab at the top of any page. Your favorites stay in your list for the duration of your browser session. If you have a personal profile, the items in your ‘My favorites’ list will be saved for later.
