About WTO iLibrary

Every year, the World Trade Organization (WTO) publishes around 70 new titles on various trade issues. Some of the topics covered include agriculture and food safety, dispute settlement, government procurement, intellectual property, information technology and e-commerce, trade finance and trade monitoring.

These publications are now available online in a single research repository, WTO iLibrary.

WTO iLibrary has been developed in partnership with OECD Publishing as part of the iLibrary Partnership. In case of questions about the service, access or subscriptions please email us at: wto-ilibrary@oecd.org
